

BIRR and IVF Labware: it's embryologic!

Round Bottom Tube 5mL/14mL

Stable and **reliable** storage in
vented and **sealed** conditions

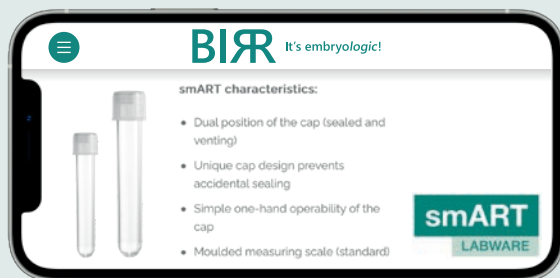

BIRR's **redesigned** lid of
the Round Bottom Tubes

- ① **Ensures** adequate gassing
of stored solutions
- ② **Avoids** accidental sealing

The Round Bottom Tubes are available in two sizes: 5 mL and 14 mL.
